

## **Speedwatch Report Parham 2020**

Lack of many active volunteers in Parham last year (just Jane and myself) meant that there were few sessions held, but those that we did showed that speeding was not reduced from previous years. We will welcome Sarah and Simon onto the team.

During one session in PARham last year one of the mandatory warning signs disappeared, presumably stolen. It was out of sight of us so we could not see it go. I reported it to the police who were unable to do anything other than refer me to the supplier who wanted about £120 for a replacement. I thought this too much so I made something out of plywood that met requirements, bit not so convenient as one that folded away. Since then I have a new contact in the police who has sent me a proper sign.

Start of speedwatch this year has been delayed by the corona virus, but we now have the go ahead from the police but all volunteers have first to read briefings, including about corona virus and sign an agreement form.
