

Parham Parish Council

Lone Worker Policy

1. Introduction

The purpose of this policy is to ensure that there are adequate systems in place to ensure the health, safety and welfare of lone workers in order to reduce the risks of lone working as far as is reasonably possible and practicable.

The Council's employees are expected to work alone because of the nature of their jobs. Whilst working alone is not in itself unsafe there may be circumstances where lone working can increase risk to an employee.

This policy applies to employees and councillors and for the purposes of this policy lone working is defined as anyone who works in isolation from their colleagues without close or direct supervision.

Examples of lone working include:

- Parish clerk working at home alone
- Inspecting bus shelter
- Meeting with contractors on site
- Changing information on noticeboards.

2. Organisation and Arrangements

Parham Parish Council is responsible for:

- The lone working arrangements of employees and councillors
- Determining the contents of this policy
- Ensuring that there are arrangements for identifying, evaluating and managing risk associated with lone working
- Ensuring compliance with the policy and providing resources for putting the policy into practice
- Making sure that support is given to employees and councillors involved in any incident.
- Making sure that employees and councillor are aware of this policy

All employees and councillors are responsible for:

- Taking reasonable care of themselves and other people who may be affected by their actions;
- Following rules and regulations laid down by the Council;
- Reporting incidents that may affect the health and safety of themselves or others;
- Reporting dangers or concerns they may have;
- Recognising potentially high-risk activities and putting in place arrangements to mitigate risk associated with working alone.
- Reporting any incidents to the Council.

3. Lone Worker Guidance

- Carry a mobile phone with you if you have one
- Do not put your-self at undue risk. Discuss any concerns with the Chairman
- Plan the visit – let someone know time of leaving, where you are going and estimated time of return
- Try to avoid confrontation. If a situation develops try to remain calm. If violence is threatened try to withdraw from the situation or call for help
- The parish clerk should try not to receive parish visitors at their home. If possible, try to conduct business over the telephone or arrange a meeting at the village hall in the presence of another Councillor.
